[THE COVID-19 VACCINATION]

Do it for yourself. Do it for your community.

Getting your COVID-19 vaccination is easier than ever.

- **Vaccines are FREE and don't require insurance or photo ID.**
- All vaccines are nearly 100% effective in preventing hospitalization or death.
- No safety steps were skipped in developing and testing these vaccines. On August 23, 2021, the Pfizer vaccine received full approval from the FDA.
