THE COVID-19 VACCINATION

Do it for yourself. Do it for your community.

Getting your COVID-19 vaccination is easier than ever.

- Vaccines are **FREE** and don't require insurance or photo ID.
- All vaccines are nearly 100% effective in preventing hospitalization or death.
- No safety steps were skipped in developing and testing these vaccines.
On August 23, 2021, the Pfizer vaccine received full approval from the FDA.
