

NO APPOINTMENT • NO WAITING

COVID-19 PEDIATRIC VACCINATION

Now offering vaccinations for ages 5-11 years.

Getting your COVID-19 vaccination is easier than ever.

- Vaccines are **FREE** and don't require insurance or photo ID.
- All vaccines are nearly 100% effective in preventing hospitalization or death.
- No safety steps were skipped in developing and testing these vaccines.

Nash UNC Health Care COVID-19 Vaccination Walk-In Clinic

NASH DAY HOSPITAL

Monday-Friday 8:00am-4:00pm Open Thursday until 6:00pm

Offering the Pfizer, Moderna, or Johnson and Johnson vaccines. Only Pfizer will be offered to patients who are 5-17 years old.

FREQUENTLY ASKED QUESTIONS

- **What dosage will my child receive?**
Children will receive one-third of the adult dose of the Pfizer-BioNTech COVID-19 vaccine.*
- **Is the dosage based on my child's weight?**
COVID-19 vaccine dosage does not vary by the child's weight but by the age on the day of vaccination.*
- **Will my child need a second dose of the COVID-19 vaccine?**
Your child will need a second shot of the Pfizer-BioNTech COVID-19 vaccine three weeks after their first shot.*
